Stabbed in Street Fight.

As the result of a difficulty which occurred on Main street in front of the store of Samuel Atlas, Saturday afternoon, Fred Beagle, of Leesburg, Harrison county, was stabbed and wounded by Carl Lantern, of the same place.

Circumstances which led up to the trouble could not be ascertained. They were seen a short time before, both in an apparently good humor, although they were under the influence of liquor. Eye witnesses to the affair state that as they were walking along the street engaged in a conversation, Beagle is alleged to have struck Lantern.

The latter then drew his knife and the men clinched, while Lantern used the blade with telling effect upon his antagonist. Five wounds were inflicted upon the left shoulder and side of Beagle, but none of them are of a serious nature.

Beagle was taken to the office of Dr. W. C. Ussery, who dressed his wounds, and he was taken to his home in Leesburg. Lantern was taken into custody at the corner of High and Seventh streets by Patrolman G. N. McKenney and lodged in jail. Sunday morning he was released upon \$350 bond for his appearance at the examining trial, which will be held in police court this morning at 10 o'clock.

Local Option Petition Filed.

A petition calling for a local option election in Montgomery county has just been filed in the county court by Judge Ed C. O'Rear, attorney for the "drys." The petition covers all fifteen precincts and contains 1,034 names of legal voters out of a possible 2,776, or about thirty-five per cent. The petition will be acted upon by County Judge McCormick at the August term of court, which convenes the third Monday in the month. The petition asks for an election to be held on Monday, September 30.

Campaign Fund.

"A campaign fund contributed wholly by the people, and untainted by single dollar of contribution from illegal trusts and monopolies!"

This is the watchword of Hon. James T. Lloyd, chairman of the National Democratic Congressional Committee in starting in to raise a campaign fund to carry on necessary organization and educational work looking toward the election of Democrats to Congress this fall. The work of this committee in the 1910 campaign was something enormous. Every Democratic candidate for Congress in the United States was given valuable assistance, and millions upon millions of speeches, campaign books, etc., were distributed increasing the number of Democratic workers everywhere and creating a vast amount of Democratic sentiment. The result was the election of a House of Representatives Democratic by a majority of 65.

This committee is confronted with an even more important campaign, and is today wholly without funds as a result of its refusal to accede to "easy" money from special interests, which would be in a position to expect legislative favors should their contributions be accepted for campaign purposes.

Every reader of this article can help the cause of Democracy and good government by making a contribution now while the committee is badly in need of funds. Whether your contribution is large or small, it will be useful. Checks or currency should be sent direct to either James T. Lloyd, chairman, or H. D. Flood, treasurer, of the National Democratic Committee, Washington, D. C. Contributions made earliest will do the most good.

Protectionists Please Answer

The Republican platform reluctantly admits that there has been an increase in the cost of living in the United States, but seeks to exonerate our system of excessive taxation with the statement that prices have increased all over the world. This is true, but it is also true that the increase has been more than twice as great in this country, under Payne-Aldrichism, than in free trade Great Britain.

Here is a query that every protectionist in the land is invited to answer: The United States official reports show that the average wholesale price of sugar in London averaged two cents per pound less during the last two years than in New York. The Payne-Aldrich tax on sugar is approximately two cents per pound. In England, sugar goes untaxed. If the difference in price in the two countries is not due to the tariff on sugar, to what cause is it due?

Blue Speaks For Gray.

Typifying the spirit which now exists between the boys who wore the Blue and the Gray during the Civil War, John M. Montague, a Confederate veteran, who Friday applied to County Judge Scott, of Fayette county for a pension, was given a recommendation and testimony necessary to the pension being granted by M. R. Cozine, a veteran of the Union Army. The men laughingly recalled the days when they were opposed to each other in battle, when making application to Judge Scott for Montague's pension, and Mr. Cozine assured the Judge that his present friend and former foe was every way worthy and deserving of a pension.

Deserved Compliment.

Col. Roosevelt in the current issue of the Outlook pays a deserved compliment to Gov. Woodrow Wilson, when he gives with his approval the following sentiment expressed by the standard bearer of the Democratic party:

"No one pretends to find a reason for not voting for Mr. Wilson in the character or in the ideals of Mr. Wilson himself. It is plain that he approaches public questions from the point of view of the public interest. What he said the other day in a speech at Atlantic City is a genuine expression of his spirit. He was speaking of an issue raised in that place by lawlessness and corruption, of the need of moral pride, and of the willingness to fight evil at all costs. 'There can be,' said Mr. Wilson, 'so long as we are honest men, no quarter with any man who deals privately or publicly in a practice that is outrageous; a man who lays himself, his life, down for that purpose, ought to die more happy than he lived. Life is a little thing. Life lasts only a little while, and if it goes out lighted with the torch of glory, it is better than if it had lasted upon a dull level a thousand years. That is the test of manhood, it is the test of humanity, and it is the glory and sign of Christianity, that a man lay down his life for another, no matter what the consequences may be to himself, either in this world or in the next.'

"These words, especially as they came from a man just chosen to receive the highest gift in the hands of his party, presents a view of public service that should accute all men in public life. They are a pledge of his own purpose.

"So far as the country at large knows it, Mr. Wilson's record since he entered public life two years ago has not been inconsistent with his lofty purpose or his high character. While in office he has been not only the chief executive of his State, but also the leader of his party in the State."

Why Brown Sugar Disappears.

Perhaps you have noticed that the old-fashioned brown sugar like our mothers used to use to cook with, has practically disappeared from the market.

There is a reason. This reason consists of a "joker" in the Payne-Aldrich tariff law, in the form of a color test known as "Dutch Standard No. 16."

When this test was fixed it meant the barring out of the old-fashioned brown sugar, cheap and good, and that is why this brand of sugar has disappeared from the market. Wherever a tariff bill is in the making the agents of the sugar trust are on hand to see that the "Dutch Standard" is maintained, and they had no difficulty in getting the makers of the Payne-Aldrich law to agree to their wishes.

Mayo May Lead State Campaign.

National Committeeman John C. Mayo may be the Democratic Campaign Chairman this fall. Mr. Mayo is not seeking the honor, and it is not known whether he would accept if it were offered him; but his selection has been suggested by a number of prominent Democrats in various sections of the State, and it is said they would not be surprised if the State Committee at its meeting in Louisville August 8 should ask Mr. Mayo to lead the fight in Kentucky. They say the situation might be presented to him in such a light that he could not well decline.

National Committeeman Mayo is full of zeal for the ticket, and will do all in his power to help whether he is chairman or not, and that is one reason why some of the committee think he might be persuaded to assume the burden of the organization. Besides his natural ability as an organizer, they say he is in touch with the national Wilson organization, knows the workers personally, is acquainted with their plans, and can manage affairs in Kentucky in harmony with the general campaign.

Morality Without Religion.
Morality without religion is only a kind of dead reckoning—an endeavor to find our place on a cloudy sea by measuring the distance we have run, but without any observation of the heavenly bodies.—Longfellow.

**CURIOS BITS
OF HISTORY****THE FINEST TOMB IN THE WORLD.**

By A. W. MACY.

The most magnificent mausoleum in the world is at Agra, India. It was built by Emperor Shah Jehan, in the seventeenth century, in honor of his favorite queen. It is built entirely of marble and brick, and is adorned internally with exquisite mosaics of precious stones. The total cost was more than \$15,000,000.

Twenty-two thousand men, driven like slaves, labored for seventeen years, through tropical rains and torrid summer heat, to erect this marvelous tomb. Hundreds of them perished, but others took their places. The cost was so great that the revenues were depleted, and the people rose in rebellion. The emperor's son usurped the throne, and during the last seven years of his life the emperor looked out upon the splendid mausoleum from a prison window. He was not allowed to enter it while living, but now his body rests beneath its dome.

THE SECRET OF LONG LIFE.

Do not cap the springs of life by neglect of the human mechanism, by allowing the accumulation of poisons in the system. An imitation of Nature's method of restoring waste of tissue and impoverishment of the blood and nervous strength is to take an alternative glycerine extract (without alcohol) of Golden Seal and Oregon grape root, Bitterroot, Gintonic and Mandrake root with Cherry bark. Over 40 years Dr. Pierce gave to the public this remedy, which he called Dr. Pierce's Golden Medical Discovery. He found it would help the blood in taking out the proper elements from food, into the liver into activity, thereby throwing out the poisons from the blood, into the whole system as well as alveolar, and so cutting a cough.

No one ever takes cold unless constipated, or exhausted, and having what we call east-north, which is attended with impoverished blood and exhaustion of nerve force. The "Discovery" is an all-round tonic which restores tone to the blood, nerves and heart by imitating Nature's methods of restoring waste of tissue, and feeding the nerves, heart and lungs on rich red blood.

"I suffered from pain under my right shoulder blade also a very severe cough," writes Mrs. Dow, 50, of Louisville, Ky., to Dr. R. V. Pierce, Buffalo, N. Y. "I had constant diarrhea, and none did me any good. I was bedridden, unable to sit up for six months—and was nothing but a live skeleton. Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Cleansing Fluid. When I had taken one bottle of the discovery I could sit up for an hour at a time, and when I had taken three bottles I could do my cooking and tend to the children. I took fourteen bottles in all and was then in good health. My weight is now 107 pounds.

CHARLIE WHITEMOON, the Cow Boy Herbalist

3729-31 W. Broadway, Louisville, Ky.

Deep down in every human heart lies a NATURAL desire for NATURE'S medicines, Roots & Herbs. Too long have the secrets of nature been neglected, too long have people disregarded God's promises. Modern doctors think only of "operations" & strong drugs, while human suffering & death from disease increase rapidly every year. Health is natural, disease unnatural. My years of experience as a Cow-boy & among the Indians give me a peculiar fitness & knowledge of the powers of Roots & Herbs as medicines, my remedies have cured & are curing Blood Poison, Lung Trouble, Kidney, Bladder, Liver, Female & Skin diseases, Rheumatism, Dropsey, Nervous & Stomach Troubles that were pronounced incurable by the best doctors. I want to PROVE this to the world & to any one asking, I will mail the greatest book of its kind ever published, entitled "THE COW-BOY HERBALIST," absolutely free. If you are not enjoying ALL the blessings of perfect health, your duty demands that you INVESTIGATE MY CLAIMS. All letters of inquiry promptly answered.

PARIS PROOF.

Should Convince Every Paris Reader.

The frank statement of a neighbor telling the merits of a remedy, bids you pause and believe. The same endorsement by some stranger far away commands no belief at all. Here's a Paris case. A Paris citizen testifies, Read and be convinced.

Mrs. C. M. Taylor, Eighth and West Sts., Paris, Ky., says: "Doan's Kidney Pills have done us a great deal of good and we recommend them strongly. One of my children suffered for a long time from kidney disease and had but little control over the kidney secretions. We tried everything but without success until Doan's Kidney Pills were given a trial. They did immediately good and before long they effected a permanent cure."

Still Believe in Witches.

There is a certain walnut tree near Benevento, in Italy, around which the witches are said to gather on certain nights; and many a peasant of the Campagna believes that the witches assemble on midsummer nights amid the ruins of the Roman Forum, where they turn themselves into huge black cats. As one proceeds east the superstitions of the ignorant thicken and multiply. India is full of supernatural traditions and fantasies.

BENCH SHOW A FEATURE

Of Kentucky State Fair—Will Probably Be Greatest Dog Display Ever Seen in State.

Perhaps the biggest and best dog show ever seen in Kentucky, will be witnessed at the Kentucky State Fair the week of September 9-14. Heretofore the dog show feature of the State Fair has been confined exclusively to collies, but this year the management has decided to have a bench show for all breeds of dogs, and to that end dog fanciers throughout the state have been invited to participate in the show. Since the invitations were first issued by the management through the press several weeks ago many of the fanciers in every section of the state have joined the movement to make this feature of the fair a success. It is doubtful if there is a breed of dog known to this section of the country that is not bred and raised in Kentucky, and it is the purpose of the officials of the fair to have every breed represented. For several years the breeders of dogs, other than collies, have endeavored to interest the management of the State Fair in a bench show that would include all breeds. The bench show will be under the personal supervision of a man who is well versed in the breeding of dogs, and valuable prizes will shortly be named, to be distributed to the winners in the various classes.

The show will be held under the rules of the American Kennel Club. A bench show with the approval of the American Kennel Club will more than likely attract high-class dogs from New York, Chicago and all parts of the country.

Rather Neat Rejoinder.

A Frenchman, dining at the duke of Richmond's, bored the company by boasting that his country was first in everything, and supreme in fashions. Just to Better Satisfy Our
Customers.

We have now added to our already complete equipment the latest invention in a Collar finishing machine! On this machine, the operator places a collar over a circular steel band, as shown in the picture above, which fits into a steam heated groove, and by pressing the collar firmly for a few seconds simply moulds it into perfect shape. It is the only machine on the market which spreads the Collar so there is ample space for your tie to slip and which gives your linen a 50 per cent. longer life because it eliminates all friction and absolutely does away with cracking and rough edges.

To demonstrate the fact that this machine will not tear or wear your linen, an ordinary collar was subjected to 25,000 consecutive pressings and showed no signs of wear.

We will be delighted to have you call and see the machine in operation, also many other improved devices which we have added in our endeavor to set the Blue Grass standard for quality Laundry Work.

Paris Blanks Colts.

Paris scored a victory over the Colts yesterday afternoon at White Park, winning by a score of 9 to 8. Hauser went in to pitch for Paris, but when the locals sewed up the contest in the first two innings, he was relieved by Monroe, who finished the game.

The Bourbonites pounded two of the Lexington pitchers, compelling Embry to retire from the game in the fifth inning. Mack was substituted but the game had already been neatly tucked away.

Monroe pitched masterly ball during the seven innings he was on the mound, allowing but four scattered hits.

The Bourbonites took a good lead in the first inning, when four hits, three stolen bases and an error allowed four runs. Two hits, two stolen bases and a sacrifice, counted two more. In the fifth inning Guhl put the ball over the center field fence for a home run, and another was added in the seventh on a pass and a single.

During the game the visitors failed to get a man as far as third base. Two men reached second, two were forced at second and one at third.

The Bourbonites fielded well throughout the game, Guhl covered considerable territory in left, having five putouts to his credit.

Today the locals will go to Maysville, where they will meet the Rivermen in a double-header and will also play there tomorrow. Returning home Thursday they will meet Frankfort and go to the Capital City Friday. Saturday the locals will be at home with the Lawmakers and play a double-header with Richmond Sunday.

FRIDAY.

Paris won easily from the Colts in the game here Friday, taking the contest by a score of 9 to 5. Popkin, an ex-Bourbonite, essayed to pitch for the visitors, but his offerings were driven to the four corners of the lot. Appliance, for Paris, held the Colts without a run for six innings, when he slackened his speed and only exerted himself in pinches. Practically all of the hits secured by the visitors came in the last three innings.

SATURDAY.

Paris journeyed to Lexington Saturday, and by the close score of 5 to 4, won from the Colts. The locals could not hit Turner very successfully, but their hits came at the time when they were most needed, which coupled with a few costly errors, made victory sure for Paris. Monroe was on the rubber for Paris, but was taken out in the eighth for Dunlap to bat for him, and Hauser finished the game. Locke starred with the bat, getting three hits out of five times at bat, a home run, a double and a single.

SUNDAY.

In a double header at White Park Sunday afternoon, Paris took both games from the Orphans, winning the first by a score of 6 to 5 and administered a complete shut-out to the visitors in the last game, which went seven innings, during which the Bourbonites scored three runs. The first game looked like an easy victory for Paris until the latter innings when the Orphans hit Dunlap freely and stacked up a number of runs. Only fast fielding saved the game, Chapman made a long running catch in the seventh inning with two on bases, doubling a man at second, retiring the side without a run. The locals took advantage of several errors in the opening stages and connected with Funk's slants at timely intervals. In the last contest Appliance held the visitors completely at his mercy and not until the final round did he allow a man to hit into safe territory. The locals hit Funk, who was also on the mound in the closing event, at times when their drivers were most needed.

MATRIMONIAL.

A marriage license was issued yesterday to Mr. Edward Spears Pendleton, of Paris, and Miss Myrtle Cotes, of Berea, Ky.

Stock Market Exceedingly Active

Considerable activity was noted yesterday in the stock market, August court offerings being heavier than that of the past several months. There were about 1,200 sheep on the market, about half of which sold at prices ranging from \$40.00 to \$45.00 per head while upward of 400 head of cattle were offered, the majority of which changed hands.

The offerings of work stock were exceedingly light but there was little demand for this class at the present season and there were not more than twenty mules on the market, the majority of which went unsold.

At the pens of M. J. Murphy & Co. one thousand sheep were offered and more than half of that number changed hands at from \$4.00 to \$4.50 per head. Two hundred head of cattle were on the market at the Murphy pens, the majority of which found ready sales at \$6 to \$6.50 per hundred.

Caywood & McClintock sold a bunch of sixty head to W. S. Jones, of North Middletown, for \$50.00 per head and thirty head each to Charlton Clay and Buchanan & Davis at the same price. They sold a bunch of thirty head of sheep to Lee Penn for \$5 per head. This firm also disposed of six head of mules to Chas. Thompson, of Lexington for the sum of \$6.50.

The crowd yesterday was exceedingly small owing to the extremely busy season, farmers being detained at home with tobacco and other crops and the splendid season now offered cannot be overlooked. However, business in all branches was brisk and merchants over the city report a lively trade.

National Progressive Party Born.

The National Progressive party took its place in the arena of American politics yesterday when its first National convention assembled at the Coliseum in Chicago, where the Republican National convention was held seven weeks ago.

Col. Theodore Roosevelt, sponsor for the party, arrived in Chicago yesterday morning but did not attend the first session of the convention; he will deliver his "confession of faith" to day.

Former Senator Albert J. Beveridge, of Indiana, was elected temporary chairman of the convention, after Senator Dixon had called the assemblage to order and prayer had been offered.

Senator Beveridge was greeted with long cheers and delivered his keynote speech bristling with the most advanced ideas of progressivism.

The floor of the big convention hall was crowded and the galleries, slow to fill at first, held but comparatively few empty seats when the convention got under way shortly before 1 o'clock.

The delegates were most enthusiastic, frequently interrupting the proceedings with cheers and applause.

The Kentucky delegation elected the following:

Chairman of delegation, Brutus J. Clay.

Resolutions Committee, Henry Coe.

National Committeeman, Leslie Combs.

Vice Chairman, Eskridge, Fourth district.

Credentials Committee, Calloway, Third district.

Rules Committee, Philip, First district.

Committee to notify nominee for President, Krieger, First district.

Committee to notify nominee for Vice President, Shipley, Tenth district.

Jouett New Assistant Counsel.

Mr. E. S. Jouett, of Winchester, has been appointed Assistant General Counsel of the Louisville and Nashville Railroad to succeed Judge W. G. Dearring, of Flemingsburg, who recently resigned. The appointment was made Friday by Col. H. S. Stone, Chief Counsel of the railroad company.

Mr. Jouett will have charge of the interests of the railroad company in Eastern Kentucky, and may be required to locate in Louisville. The appointment becomes effective September 1. The position carries with it an annual salary of \$5,000 per year.

Mr. Jouett, who is one of the best known lawyers in this section of the State, is the father of Mrs. Withers Davis, of Paris.

DEATHS.

TOOHEY

Little Frank Toohey, two years old, died Saturday morning at 10 o'clock at the residence of Mr. and Mrs. John Toohey, on the Hume and Bedford Pike, after an illness of cholera infantum. The baby's father, Mr. Frank Toohey, died about two years ago at the same place. Mrs. Toohey lives in Cincinnati and came to visit her brother-in-law four weeks ago.

The funeral took place at the Catholic Church Sunday afternoon at 4 o'clock, conducted by Rev. Father O'Dwyre. Burial at the Catholic cemetery.

RASH.

—Mrs. Margaret Rash, aged 60 years, died at St. Joseph's Hospital in Lexington, Friday afternoon, about six o'clock, after a long illness.

Mrs. Rash was removed from her home near North Middletown several weeks ago to undergo treatment. Seven days ago she developed a severe case of pneumonia and gradually grew weaker until death ended her sufferings.

Mrs. Rash was the widow of the late Mr. G. W. Rash, a well known farmer and stockman of the North Middletown neighborhood. Before her marriage to Mr. Rash she was Miss Margaret Arnold, of North Middletown.

She is survived by three daughters, Mrs. Thomas Morris, of Paris; Mrs. Gilbert Cook, of North Middletown, and Mrs. J. H. Kimbrough, of Lexington; and three sons, Messrs. Hedges, Bert and Magnus Rash, all of North Middletown. Mr. Rash was also the mother of Mr. E. F. Rash, who died in Lexington several weeks ago.

The funeral took place from the family residence at North Middletown, Sunday afternoon at three o'clock. Services by Eld. J. W. Ligon, assisted by Eld. L. H. Reynolds, Burial in the North Middletown cemetery.

The pall bearers were: W. S. Jones, H. C. Smith, E. K. Thomas, Dr. Frank Fithian, C. H. Meng, John T. Collins.

Refreshing lemonade was served to the guests upon their arrival, and auction bridge was much enjoyed during the afternoon. After the games refreshments of ice cream, cakes and candy were daintily served. The guests were Misses Sue Ford Offutt, of Georgetown, Martha Ferguson, Clara Belle O'Meara, Josie Gardner, Nancy Griffith, Elizabeth Wiggin, Elizabeth Steele, Nannie Clay, Mesdames Alex Ford, Julian Frank, White Varden, Carl Wilmoth, John Davis, Virgil Gaitskill, William Ardery and Ray Taylor.

—The C. W. B. M. held a very interesting meeting Friday afternoon in the parlors of the Christian Church, with Mrs. W. E. Sims, the president, presiding. After the business routine, the literary program was enjoyed. Miss Lucy Blythe Simms giving a talk on Liberia, supplemented by readings on the subject from the Missionary Tidings. Special mention was made of Mr. Emory W. Ross, a brilliant young man of Eureka, Ill., who is under appointment for mission work in Liberia, and who is soon to leave to take up his work on the dark continent. During the social hour which followed the meeting, delicious lemonade and wafers were served.

—Vaudeville At The Grand.

The popularity of an enterprise depends upon approval of the public. The vaudeville at the Grand has met with the public approval, and therefore, must be popular. How could it be otherwise, when nine out of ten of the theatre-going people nightly visit the Grand? They all leave with smiles and congratulate the management upon the classy shows they are now giving.

Last night's program, consisting of the usual two acts, was Billie Finnegan, Irish comedian and singer, and the Campbell players, presenting Little Helene, the wonderful child actress.

The two reels of pictures were of the latest. Both acts heartily applauded and the pictures well received.

One show is given nightly at 8:15 o'clock.

CURIOS BITS OF HISTORY**HOW ONE SHIP FOUGHT A WHOLE FLEET.**

By A. W. MACY.

On August 31, 1591, a British fleet of six vessels lay quietly at anchor near the Azores. Suddenly, and almost without warning, a great Spanish armada of 53 ships bore down upon them. Consternation seized the admiral, and he fled precipitately with his flagship, commanding the others to follow. They did so—all but one, the Revenge. Aboard that was grim Richard Grenville, the vice-admiral. He scoured to flee, and when the Spaniards called upon him to surrender he contemptuously refused. He had but 140 men fit for fighting, but he told the Spaniards he was going to cut through their line. Glaring round upon his crew, who feared him more than they did any enemy, he ordered them to attack the Spanish ships. For fifteen hours the battle raged, Grenville alternately cheering, storming, praying and devoting the Spaniards to perdition. He yielded only when less than twenty of his men could stand up to fight and he himself was mortally wounded. When it was all over the Spaniards figured out their losses thus: Two ships sunk, fifteen more or less damaged, more than 1,000 men killed and wounded, and by one little English ship.

DR. DOLLE'S MESSAGE TO MEN YOU CAN BE CURED BYDR. C. L. DOLLE.
Why Take Treatment That Is Doing You No Good. When a Few Days under the care of Dr. Dolle Will Show You How Easy It Is to Cure These Diseases When the Proper Treatment Is Administered.

Have you treated for months and years, and been disappointed until you think that you cannot be cured? Only one visit is required. All time has been treated by inexperienced doctors who had neither sufficient knowledge nor experience to know how to cure you.

These are the diseases of which I have cured so many, justly giving me the reputation for cures of which I am so proud.

Blood Diseases, Skin Diseases

I will give you treatment that will in a few days cure all nose, spots, and other skin and symptom. My treatment gets the poison out of the system instead of driving it in like ordinary treatments. I cure blood diseases and skin disease so they cannot come back.

Varicosee, causing aching or pain in groin or back, Nervousness, Weakness, Loss of Vitality, Lack of Ambition—

My one-treatment cure is what you should have and what you will have to be cured right. Only one visit is required. It is no effort to cure either pain nor trouble. All goes disappear in a few days.

Nervous Troubles, Lost Vitality

My combined treatment for these troubles so common among those who have become weak and wornout, who have caused it by folly, dissipation and excesses, is remarkably good. No one believes how quickly it benefits until they have taken it. It cures weakness, nervousness, pain in back, lack of energy, ambition and strength—it's just the treatment I have found so effective in treating such diseases.

Kidney and Bladder Troubles

are scientifically cured by me. My methods immediately benefit you, and the majority of cases I have come from physicians and specialists who failed.

Piles, Fistulae.—I can cure you so quickly and easily that you will be surprised. I will give you just the result and cure you are looking for without a surgical operation.

Acute Diseases.—Itching, Burning strong drug store remedies seldom cure. My treatment stops every symptom and cures in a few days. It is scientific that's the only sure way to be cured so it will not come back.

You can take my treatment without a cent and pay me after I cure you. I know that I can give you new life, muscle, and can restore you to health and happiness. I know that every man will pay after I have eliminated every trace of disease from his system. Microscopic and analytical urinalysis FREE. I have written a book that ought to be in the hands of every doctor in the country. I will send you a copy free if you will write me at once the disease for which you desire treatment.

Hours, 9 to 4; Sundays, 9 to 1 p.m. Evenings, 6 to 8 on Monday, Wednesday and Saturday nights.

VAST IMPROVEMENTS

PLANNED BY OFFICIALS OF STATE FAIR IN BUILDING EQUIPMENT.

New Grand Stand is Twice the Size of Old One and is Magnificent Structure.

With the greatest line of exhibits in the way of live stock as well as all other products of which the state is famous, already guaranteed for the Kentucky State Fair this year, it is the prediction of those in charge of the arrangements that the exhibition to be held the week of September 9-14 inclusive, will be the biggest and best ever seen in the South or Middle West, and that it will mark an epoch in the history of agricultural and live stock exhibitions. Not since the Kentucky State Fair was inaugurated ten years ago has the same amount of interest been shown in the event as that being taken this year by the officials and the public spirited citizens throughout the State, insuring the greatest fair, from an artistic and display standpoint at least, in the history of the institution.

Chief among the improvements at the Fair Grounds this year, will be that of the enlarged grandstand which, when completed the latter part of August, will be twice the size of the stand that has been used to accommodate the crowds the past four years. The new addition to the stand will be of the same concrete construction as the part now standing and when completed the stand will have a seating capacity of five thousand people.

VAUDEVILLE SHOWS

OF HIGH GRADE WILL BE GIVEN AT STATE FAIR AT NIGHT.

Trained Stallions and Elephants Among Remarkable Evening Attractions September 9-14.

The big night show at the Kentucky State Fair this year will be the most elaborate ever prepared by the management of the institution. Believing that night patrons of the fair would rather witness high-class amusement than to spend their time in walking over the grounds in a vain effort to see many of the exhibits which naturally close at night, Secretary Dent has secured some of the most noted acts known to the show world, which will be seen in the magnificently lighted livestock pavilion each night, beginning at 8 o'clock. The management has gone to an expense of \$5,000 to guarantee this list of attractions, among which will be seen Herzog's performing stallions, six in number and jet black and regarded as the most famous animal act in the world. The five Merkel Sisters, noted female acrobats; The Okuras, Japense wonders; The Whirling Erfords, styled the "Human Butterflies;" Robinson's five performing elephants; The Eddy Family in two highly sensational acts; The Hengler Troupe of Russian Dogs, and other acts equally as high class. In addition to this high-class line of amusements visitors to the night show will also witness the best rings for light harness and saddle horses ever given in Kentucky. In addition to the \$1,000 stake for five-gaited saddle horses other rich rings for all other classes, in both saddlers and harness horses, will be contested each night during the week. Because of the enormous expense to which the management has gone in preparing for the big night show feature of the fair it has been decided to charge an admission of twenty-five cents to the pavilion at night. This price will entitle the visitors to any seat in the big auditorium except the boxes. For this sum they will witness the most famous American and European acts now before the public.

MIDWAY ATTRACTIONS

Best in History of Fair—Nothing Offensive to Decency or of Freak Nature To Be Allowed.

The midway attractions to be featured at the State Fair this year will be far and above the average, as it is the purpose of the management to provide only the best for the patrons of the Kentucky institution. In order to carry out such an arrangement Secretary J. L. Dent will visit the shows two weeks before the date of the Kentucky State Fair, which is the week of September 9-14, and make a personal inspection with a view of eliminating any and all unattractive or freak features. The shows engaged for the fair are the Mazepo and United Shows combined, and this name in itself is sufficient to guarantee a high-class and clean line of attractions, but to make it doubly sure Secretary Dent has planned the personal inspection to satisfy himself. It is the purpose of the management to provide such a line of side-shows that parents can let their children visit the shows, day and night, without the attendance of older members of the family.

In order to further carry out this feature of the program, the management has contracted with a number of well-known Kentuckians to be stationed both on the inside and outside of each of the midway attractions during the week to look after the welfare of the patrons, and to see that nothing is said or done that would in the least offend the eye or ear of any person within the inclosure.

POULTRY**INCUBATOR CROWDS OUT HEN**

Poultrymen Who Are in the Business Commercially Cannot Get Along Without Machines.

(By R. HARRIS.)

Where not many years ago nine out of ten farms had never heard of an incubator, today the word is passing from farm to farm that the profits are larger, the work less onerous, the hatches more sure, and the hens are taking fewer holidays—laying more eggs. Not all on account of the incubators, but primarily on account of the incubator, and secondarily on account of the large amount of book knowledge distributed with it.

The farmer's wife is doing her share in the profit making. She always has done it, but now she is getting recognition as a partner in the business.

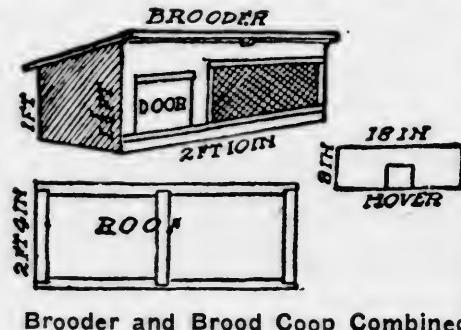

This is having—it has had—its effect, and the result is, farmers are now posted on poultry profits. They will continue to be posted, and those who have been operating incubators will go back to hen incubation only when they return to the old custom of treading out the grain with oxen—only when they are prepared to put the cream separator on the shelf.

Poultrymen who are in the business commercially—whose living depends upon the profits—would soon think of threshing the grain with the old-time flail as they would of hatching chicks or ducklings with hens or ducks. The thought would be absurd. Without the incubator they would have to go out of business.

BROODER AND COOP COMBINED

Device Made From Old Wagon Box, With Waterproof Roof, Found to Be Excellent Shelter.

I have used all shapes and sizes of home-made jug-heated brooders and like best the one made from an old wagon box. All holes in sides and floor were patched up when making it, and a roof put over one end. This roof is so put on that it may be raised and

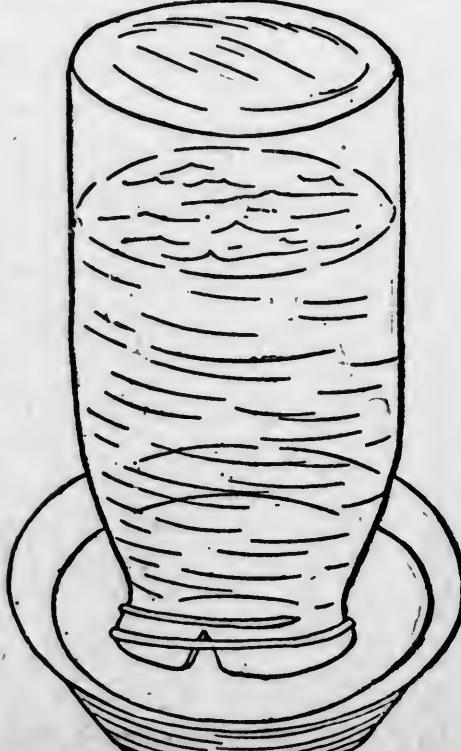

Brooder and Brood Coop Combined.

lowered, writes Mrs. O. M. Spencer of Van, Mo., in the Missouri Valley Farmer. It is waterproof, but gives free circulation of air. A partition put through the box makes the hover about three feet square, with two doors for chicks to run in and out. On damp or cold days and every night a lantern is kept burning in the hover, which has a cloth hanging from the top that bags down onto the backs of chicks. The light does not annoy them. Indeed chicks always seem to prefer to huddle in a cold light place rather than a warm dark one. The rest of the wagon box is covered with poultry netting to keep out the other chickens. On rainy days it is well to spread a canvas over the netting. Keep the young chick dry by all means, and keep his crop full. A chick fed all he wants from the time he is 36 hours old will never overeat. On cold or stormy days I feed and water the chicks in the run and shut them back in the hover till they get restless, then feed and water again.

HANDY FOUNTAIN FOR CHICKS

Mason Jar With Nick in Mouth, Turned Upside Down, Is Sanitary and Easy to Operate.

I am illustrating a very simple chick fountain that can be made up for a few cents, and which is simple to operate and perfectly sanitary,

writes J. D. Alexander in the Farm and Orchard. We use a quart Mason jar with a nick in the mouth, turned upside down.

RATTLESNAKE KILLS THREE OF FAMILY

Two Children Fatally Bitten, Another Drowns While Mother Tries to Help Them.

THREE DIE SAME DAY

Reptile Coiled in Hen's Nest—Mother Hears the Fowl Squawk and Tells Boys to Run Her Out of the Box—in Confusion Baby Drowns.

Greenville, N. C.—Three children are dead as the result of a simple request of their mother to throw a hen off its nest, two dying from the effects of rattlesnake bites and the other being neglected long enough by the mother to fall into a tub of water and drown. The three children died the same day and were buried in the same grave. Only the father and mother of the family survive.

Mrs. George Adams, the mother, was in the yard doing some washing when a hen, sitting on a nearby nest, squawked. Mrs. Adams told the eldest of the three children, all of whom were playing in the yard, to throw the hen off its nest. The oldest boy, aged eight, thrust his hand into the nest without looking. He drew it out quickly, declaring that the hen had pecked him.

The next oldest boy, making fun of his brother for his timidity, ran his hand into the nest. He screamed almost immediately, saying that he had been bitten.

The mother, alarmed, rushed to the nest and saw the snake coiled inside. Frantically she tried to do something to aid the two boys, whose hands

Thought the Hen Pecked Him.

were already swelling from the bite. The baby, one year old, was unnoticed in the excitement and crawled to the wash-tub. In another moment it had climbed into the tub, and when discovered was drowned.

HISTORY OF CURIOUS LEGEND

Stone Found Near Dundee, Scotland, Believed to Mark Spot Where Dragon Was Slain.

Dundee, Scotland.—A sculptured stone locally called the Martine, or Dragon's Stane, is supposed to mark the spot where in ancient days a fierce fight took place between a young man named Martin and a dragon, the latter being killed in the struggle, says a writer in the Strand. The scene of the encounter is located about six miles north of Dundee, near to the base of the Sidlaw Hill, and in the parish of Mains and Strathmartine. The legend is most interesting, and is as follows: A farmer in the district, who was blessed with nine lovely daughters, one day sent one of them to a neighboring well to fetch him a draught of water. As she did not return, another was sent to learn the cause of the delay. Neither of them returning, daughter after daughter was sent, until the whole nine had been dispatched. The father, becoming alarmed at the non-return of his daughters, then set off himself to learn the cause of their delay. On arriving at the spot, he was horrified at the spectacle which met his gaze. His nine daughters lay dead at the well and a large dragon was throwing its slimy folds around them. The reptile, on seeing the father, hissed loudly, and would have made short work of him also, had he not saved himself by flight. He, however, aroused the whole neighborhood, and the people turned out in a state of great fright. A young man, the sweetheart of one of the dead girls, boldly attacked the dragon, which took to flight, hotly pursued by the gallant youth. The dragon wriggled its way toward the hills, and was ultimately overtaken by the youth in a field near the Sidlaws, where he killed it outright. It is said that during the pursuit Martin was followed by a crowd of people, who in their excitement shouted simultaneously to him to "Strike, Martin!"

Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

FOLDING BED TRAPS FAMILY OF THREE**Police Respond to Cries for Help and Rescue Victims After Breaking Down Door.**

New York.—Three persons were imprisoned in a folding bed early the other day while a policeman and several neighbors were breaking down the door leading into the apartment in which they lived on the second floor of the house at No. 680 Metropolitan avenue, Williamsburg. The victims are Alfred Eberhardt, a machinist, forty-six years of age; his wife, Mary, forty-one and their nine-months-old daughter, Josephine.

It was the first time Mr. and Mrs. Eberhardt had slept in the folding bed. Josephine slept in a crib nearby and

Extricated the Sufferers.

two other small children in another room.

Early in the morning Josephine had the colic and Mrs. Eberhardt reached out of bed for the infant. At the same time the bed folded, imprisoning Mr. and Mrs. Eberhardt. Mrs. Eberhardt was in the act of lifting the baby into bed and one of her arms, in which she held the little one, protruded from her side of the bed. The infant's feet were caught in the folding apparatus.

The cries for aid attracted all the neighbors and Policeman O'Connor of the Herbert street station. When they reached the door leading to the Eberhardt apartment they found it barred, but the cries of "Help! Help!" continued.

The policeman broke down the door and with the assistance of neighbors extricated the sufferers.

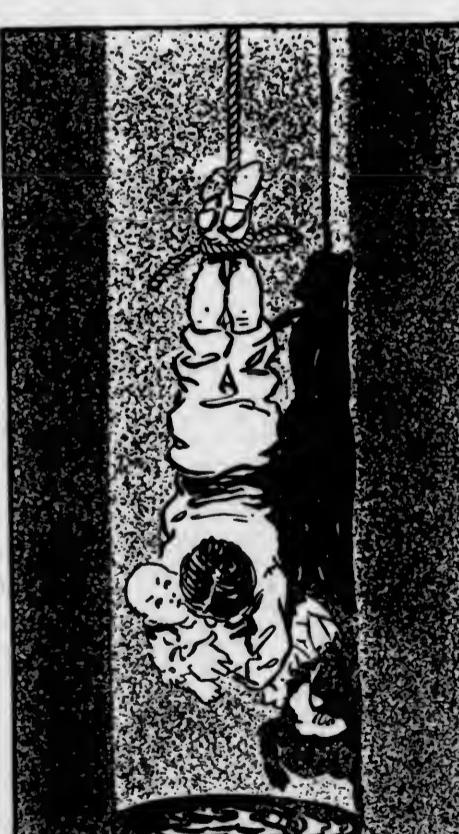

It was necessary to summon a doctor to dress the injuries of the parents and their infant daughter.

BRAVE BOY RESCUES A BABY

Dangling Head Down at End of Rope,
He Rescues Two-Year-Old Tot.

Dothan, Ala.—Man's-size courage has won a college education and a Carnegie hero medal for eleven-year-old Henry Mathews of this city. Dangling head down at the end of a rope, thirty feet below the earth's surface, in a bored well only fifteen inches wide, he rescued Bennie Grant, a three-year-old who had fallen in.

When the cries of the baby came faintly to the surface as the well-borers returned to work one afternoon, they realized his terrible predicament.

Hung by His Feet.

No man could be lowered in that fifteen-inch bore, no grappling hooks could be used without almost certainly killing as they rescued. To dig a hole big enough to admit a man meant living burial for the tiny victim, or suffocation before help could reach him.

Henry Mathews, a tailor's apprentice, volunteered to do the only thing possible. So they tied stout rope to his feet and lowered him, head first, down the narrow hole. Twice they let him down and brought him up. Each time he tried, but failed, to grasp the baby. Then again he went down and the third time emerged with the baby grasped firmly in his hands.

"Iwan't nothin'," said Henry, when the men cheered and shook his hand. Then he went back to the tailor shop.

Perhaps of all countries Italy is the most rife with superstition in all its strange and imaginative varieties. Italians believe in the "evil eye." They have a "false spirit," which is given to practical jokes on poor mortals, and a darker hobgoblin, the "Fata Morgana," who draws youth beneath the waves of the Straits of Messina to drown.

Not the Cheapest

Flanders "20" Roadster, \$750

Don't be alarmed if somebody tells you you can buy an automobile for less money than the \$750 Studebaker-Flanders "20." You can, but you better not. The Flanders "20" corresponds point by point with the best and highest priced cars sold. Cheaper cars at every vital point are built on ideas long ago discarded for good cars. Don't take our word for it. Make comparisons and see.

The Studebaker-Flanders "20" is a marvel—a high grade modern car at a low price. If you pay less you buy much less. And the cheaper car today will cost you far more in the long run. The competing car isn't sold which the Studebaker Corporation, the greatest automobile manufacturers in the world, couldn't reproduce for less money; but we won't build a cheap car, because the name "Studebaker" means the best for your money.

If you are content with a car that runs today and dies tomorrow, don't buy the \$750 Flanders "20." It will wear for years. Remember this—the Studebaker-Flanders "20" will outwear 2 to 1 any other car under \$1100 and give you double satisfaction, confidence and comfort into the bargain.

We can prove it—Send for new catalogue

Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

No man could be lowered in that fifteen-inch bore, no grappling hooks could be used without almost certainly killing as they rescued. To dig a hole big enough to admit a man meant living burial for the tiny victim, or suffocation before help could reach him. Henry Mathews, a tailor's apprentice, volunteered to do the only thing possible. So they tied stout rope to his feet and lowered him, head first, down the narrow hole. Twice they let him down and brought him up. Each time he tried, but failed, to grasp the baby. Then again he went

MILLERSBURG ITEMS.

Mr. I. F. Chanslor, aged 68, died suddenly at his home on the Mayeville Pike, one-half mile south of town, Saturday afternoon at 5:30 o'clock. Mr. Chanslor was apparently in good health and had attended to his farm duties all during the day. On Friday evening he ate a light supper and Saturday he complained of feeling badly. At noon, however, he ate a hearty dinner. In the afternoon his daughter, Miss Florence, came to town, going to the family physician, Dr. Huffman, procured medicine for him, which, however, was not to be taken until bedtime.

After Mr. Chanslor had done his evening farm work, he went to the house and as supper was not ready, lay down on the couch in his room. A little later one of his daughters went to him and found him heavily asleep. She made a slight unsuccessful attempt to arouse him, but failing to do so, was not particularly alarmed. A little later two of the daughters were seated on the veranda, he was here, as they thought, to sneeze, and one of them went to him and found him dead.

The family physician, Dr. Huffman, was hastily summoned. Mr. Chanslor has been subject to attacks of indigestion for several years, but recently these attacks were less frequent and his general condition was thought to be much improved.

He was a native of Mason county, and one of a large family, being born near Sardis. Early in life he was united in marriage to Miss Jane Rachael Reess and began life as a farmer near Shannon. For a time he was an extensive dealer in tobacco and hogs. In 1838 he sold his Mason county farm to Mr. H. D. Watson and purchased the Robert McClellan farm near Millersburg.

Since coming to Bourbon he has confined his attentions almost entirely to farming and gardening. He was the father of eight children, six daughters, Mesdames Frank Armstrong, Maysville, Barry Bedford, Lexington, T. R. Wilson, Robertson Station, Misses Anna, Florence and Lillian Chanslor, at home two sons, Messrs. W. T. Chanslor, Little Rock, and I. F. Chanslor, Jr., Maysville.

He united with the Methodist Church early in life, and while resident of Mason County was a member of the old Shannon church. His wife preceded him to the grave the latter part of August, 1911.

The funeral took place Monday afternoon at 4 o'clock from his late residence, Rev. W. A. Swift, of the Methodist Church, officiating, assisted by Dr. C. C. Fisher. The remains were taken this morning to Maysville and from there to Shannon cemetery, where they were laid to rest by the side of those of his wife.

Miss Willie Denton leaves today for a visit to Miss Sadie Richards, in Mt. Vernon.

Miss Dorothy Peed was the guest of her cousin, Mrs. Albert Hinton, at Paris, this week.

Mrs. Mattie Purcell and daughter, Miss Bessie, are guests of Mrs. E. T. Beeding, at Lexington.

Miss Sadie Richards has returned to her home at Mt. Vernon, after a visit to Miss Willie Denton.

Mr. Edgar Collins and sister, Miss Ethel, and Miss Pearl Williams were in Lexington, Friday.

Little Miss Louise Collier and Master Edgar McClintock have returned from Lake Chautauqua, N. Y.

Miss Jennie Marie Peeler leaves today for Paintsville to attend a house party given by Miss Nola Redd.

Mrs. L. T. Vimont has returned after a few days' visit to her cousin, Mrs. James McCarthy, at Paris.

Mrs. Atchison, of Caldwell College, Danville, arrived Friday as guest of Mesdames W. G. Dailey and J. A. Butler.

Mr. and Mrs. Winn Butler, of Cincinnati, were guests of their aunt, Mrs. America Futer and family, yesterday. They were enroute to Lexington.

Mrs. Commodore Grinnell and his son, Chas. Swinford, returned to their home at Cynthiana, Friday, after a week's visit to their parents, Mr. and Mrs. Henry Sheeler.

Mr. John Shea and family, of Paris, have moved to rooms in Miller Flat. Mr. Shea is in poor health. He is a son of Mrs. Russell Mitchell and brother of Mrs. L. T. Vimont.

The following were among those who attended the funeral of Mr. I. C. Chanslor, yesterday: Mr. and Mrs. Berry Bedford and daughter, Miss Emma of Lexington; Mrs. Frank Armstrong and son, John, Mrs. J. T. Parker, Messrs. J. C. Jefferson and I. C. Chanslor, Jr., of Maysville; Mr. and Mrs. H. W. Jefferson, Maysville.

The following is taken from the Parker, Ind., Review: "Mrs. K. R. Vaught entertained at dinner Tuesday in honor of her sister, Miss Belle Taylor Judy, of Millersburg, Ky., the following: 'Misses Cora and Abigail坎南, Jessie and Josie Duncan, of Salem, Mrs. R. P. Harper, of Bloomington, and the Misses Hazel Hakper and Mildred Vaught.'

STOCK, CROP AND FARM NOTES.

S. L. Gibbs, sold to Joseph Bales, of Madison county, for Swartzchild & Sulzberger forty head of export cattle for September delivery at \$7.50 a hundred.

James L. Gay & Son of Versailles have sold their five-year-old chestnut show mare, Lula Logan, by Emerald Chief, to William Bush, of Michigan, for \$1,000.

H. N. Rankin, of Carlisle, sold recently his large black team and a sorrel horse to a Robertson county party for \$250 each. These horses were 5 years old and very fine specimens.

George C. Holloway, one of the best known farmers in Jessamine county, has lost within the last two weeks fifty pedigree hogs as the result of vaccination to prevent cholera.

The famous Helm farm near Elizabethtown has been sold for the consideration of \$5,000. The farm contains 1,063 acres. The Helm place was formerly the home of the late Gov. Helm and is well known all over the State.

The following Kentucky fairs will be held this week: Taylorsville, beginning Tuesday, 4 days; Uniontown, Tuesday, 5 days; Winchester, Wednesday, 4 days; Danville, Wednesday, 3 days; Mt. Vernon, Wednesday, 3 days; Versailles, Wednesday, 3 days.

Wheat in Mason county is thrashing out much better than was anticipated earlier in the season. Several farmers have reported as much as twenty-five bushels to the acre, while one has produced thirty-five bushels to the acre. The quality is always above the average.

J. E. McClure, of Montgomery, recently sold to Henry Caywood, of North Middletown, a five year old gelding by Highland Gay, dam Fannie Mack, 5733, by Bourbon Chief, 976. Price \$200. Fannie Mack is the dam of a sensational 3 year old mare in the stable of Mr. Elmer Railey, her sire being Golden King.

The new owners of the Farmers' and Planters' Loose Leaf Tobacco Ware house Company, of Maysville, the Louisville Tobacco Warehouse Company, Wednesday, formally took over four-fifths of the capital stock and reorganized by electing officers and directors.

The regular annual stockholders' meeting will be held in September.

The Farmers' Union Mercantile Company, organized by the Farmers' Union of Nicholas county, has opened a large business house in Calisie with Simon Kenton, of Nicholas, as manager. R. B. Brierly, of East Union, is president, and George M. Wilson, of Carlisle is secretary and treasurer. The company is capitalized at \$6,000 and backed by more than 1,000 members of the Farmers' Union in that county.

Commissioner of Agriculture Newmann has determined this year to hold the farmers' institute only in the counties in which they are represented. He stated that in the past year \$15,000 had been spent in county institutes, in many instances the attendance being so small as not pay the expenses. Three lecturers will be in the field and lecture the farmers where they are invited.

At the Capital Fair at Frankfort, McKee Bros., of Versailles, were very successful with their herd of Duroc Jersey hogs. They carried off all the first premiums with the exception of under six months board and under year sows. In the latter class they were second. Geo. Clayton, formerly of Bourbon, is with Mr. McKee, and will have a bunch of the premium hogs at the Bourbon fair next month.

Total receipts of live stock on the Chicago market for week of July 29 were, in round numbers, 30,800 cattle, 109,800 hogs and 114,600 sheep. The week's receipts, compared with the previous week, in round numbers, decreased 2,200 cattle, increased 12,700 hogs and increased 17,400 sheep. Compared with the corresponding period a year ago cattle decreased 29,600, hogs 11,000 and sheep 4,900.

Monte Fox, of Boyle county, has recently shipped 5077 extra fine cattle to the New York market; the cattle were purchased at \$7 to \$8.50 a hundred; the best bunch of the lot was purchased from William Layson, of Millersburg, who had seventeen head that averaged 1,559 pounds, for which he paid \$8.25 a hundred pounds. The next best lot was purchased from V. P. Ferguson, also of Bourbon county. His cattle averaged 1,1464 pounds. In this shipment there were eighty-one head, which averaged 1,440 pounds, which he purchased from C. P. Cecil, of Boyle county. They were bought at \$8 per hundred.

Greater activity has been noticed among tobacco warehouse men during the past week in this State than ever before, and the indications point to Louisville warehouse men controlling the large warehouses in Kentucky. The two largest warehouses in Lexington have been taken over, the Independent Warehouse at Maysville has been purchased, and option has been secured on the Frankfort Warehouse, and the Farmers' Loose Leaf Warehouse, in Carrollton, has been bought by the Louisville Tobacco Warehouse Company.

The report is that some of the warehouses will be closed, but little credence has been given such a report. The activity of the Louisville tobacco men does not discourage the Equity planters, for plans are now on foot to erect large warehouses in many, if not all, of the large tobacco centers in the burley district.

Garth Fund Beneficiaries.

The Garth Fund Commissioners, composed of Messrs. John T. Collins, of North Middletown, and Claude M. Thomas and Emmett M. Dickson, of Paris, submitted their report to the Fiscal Court, Thursday.

In their report the Commissioners state that they have carefully examined the old beneficiaries who applied for assistance from the fund, as well as a number of new applicants.

In commenting on the work accomplished by the applicants the report says that several of the boys have made excellent progress, while some are apparently not appreciative of the opportunity given them. The report states that these boys have been notified by the Commissioners that they must make commendable progress the coming year or they will not again be assisted.

The Commissioners state that in the future the number of beneficiaries will be reduced, and that larger amounts will be paid those who are worthy, and who appreciate the advantages extended to them. These boys will be chosen strictly by the grade attained upon examination, and by their reports from the schools attended during the previous year.

The report further states that in the opinion
